Spartanburg Family Dentistry, PC
Financial Policy

We cannot thank you enough for allowing Spartanburg Family Dentistry to take care of your dental needs. For those patients who have financial assistance from dental insurance, the full co-payment is due at time of service.

We accept cash, personal check or most major credit cards (Visa, Mastercard, or Discover) as methods of payments. We also offer CareCredit for those times when financial assistance is needed. Please speak to one of our friendly staff members to receive additional information regarding this interest-free financing or any of our payment methods.

Emergency Patients:

For emergency patients who are not patients of record, we will happily file any insurance claims, as long as we can verify your insurance coverage and remaining benefit level. If we are unable to verify these benefits, we will require payment in full.

Minors with two separated or divorced parents:

When two parents are each responsible for one half of the cost of the children's dental care, the parent who brings in the child is responsible for paying the full co-payment or full fee. They will also be responsible for collecting payment from the other parent.

NSF/ Returned Checks:

There is a \$25.00 fee for processing a returned or NSF check. We reserve the right to reject check payments once a returned or NSF check occurs.

Short Notice Cancellations, Broken Appointments or Disconnected Numbers:

We, at Spartanburg Family Dentistry, PC value and respect your time. Your appointment time is a reserved time for you and only you. Each time a patient does not keep their appointment; other patients who do keep their appointments are penalized. Frequent cancellations by other patients may also restrict your ability to get the appointment time you need or desire.

In order to insure mutual respect for your time and ours, our office does have a \$25 missed appointment fee for all no shows and/or short notice cancellations (less than 48 hrs notice). To help avoid any missed appointment fees we kindly request a minimum of 48 hours' notice for any reschedules or cancellations.

We require a working primary phone number for appointment confirmation purposes. If the phone number we have on file for you is disconnected, leaving us no alternative number, we will cancel your appointment and reserve the right to not reschedule your appointment.

Deposits:

For longer procedures, many times a scheduling deposit is required. The deposit can vary based on the length of appointment or complexity of procedure you require. We will notify you if a deposit is needed.

INSURANCE:

Most insurance companies are now "deciding" which type of restorative material or treatment the patient should receive, regardless of the clinical diagnosis. While we strive to do everything possible to maximize the insurance benefits, I am aware that Spartanburg Family Dentistry, PC will diagnose the type of restorative material or treatment that is needed due to their Standard of Care, not what the insurance company decides. This will mean for some patients, based on the insurance company's benefit plan, composite resin (tooth colored) fillings on posterior teeth will only be reimbursed at the amalgam (metal) filling rate, with the remainder of the fee due from the patient.

Dental insurance reimbursement has increased very little from the 1970's. Today's dental insurance carriers will typically cover routine maintenance and small fixes, but seldom will provide significant benefit for large or complex problems.

I understand that insurance plans are payment assistance plans; they are not designed to cover the entire costs of treatment.

I understand that my dental insurance carrier may pay less than the bill for services. If the insurance claim(s) is not paid in 60 days, the balance will become my responsibility. By signing this form, I have authorized assignment of benefits directly to Spartanburg Family Dentistry.

I am also aware that the office reserves the right to charge 1.5% interest for any balance over 90 days old, as well as, any and all additional charges that might occur if the account is turned over for collection and/or attorney services are required.
